

CHAPTER 5

R-13 District - One Family Residence District

Sec. 5-1. Uses Permitted; R-13 District.

The following uses are permitted in all R-13 Districts:

- (1) One family dwellings, except that such dwellings may be altered to contain two (2) dwelling units, provided that each dwelling unit shall be occupied by only one (1) family; and provided further that one (1) of the two (2) occupant families shall include the owner or at least one (1) of the owners of the premises; and further provided, that such use entails none but minor interior alterations to the dwelling retaining the exterior appearance of a single family dwelling with a single outside entrance to both dwelling units.
- (2) Churches and accessory uses such as convents, Sunday schools, parish houses, and assembly rooms (excluding rescue mission or temporary revival), provided:
 - (a) For the above uses with a capacity within any single assembly area, of no more than five hundred (500) people, no vehicular access shall be permitted from any residential street unless required for emergency vehicular access.
 - (b) For the above uses with a capacity within any single assembly area of between five hundred one (501) and one thousand (1,000) people, no vehicular access shall be permitted from any residential or minor collector street unless required for emergency vehicular access.
 - (c) For the above uses with a capacity within any single assembly area in excess of one thousand (1,000) people, no vehicular access shall be permitted from any residential, minor collector, or collector street unless required for emergency vehicular access.
 - (d) Notwithstanding the provisions of Chapter 21, Nonconforming Uses, a church may make additions to its physical plant, without regard to any street access requirements or limitations, provided:

- (aa) any addition or construction of additional buildings which increases sanctuary seating above the limits which would otherwise be imposed by street access requirements, shall occur only on the property owned in accordance with Section 57-12 of the Code of Virginia by the church at the time of adoption of this Ordinance;
 - (bb) all additions or construction of additional buildings shall comply with the setback requirements in effect at the time of submission of the site plan for the addition or construction; and
 - (cc) any addition or construction of additional buildings which increases sanctuary seating shall be accompanied by additional parking spaces for the new seating provided at the ratio required at the time of submission of the site plan for such addition or construction.
- (3) Colleges and universities, public libraries, or museums, owned and operated by a governmental agency; if privately owned, subject to securing a Use Permit. (10/27/99)
- (4) Schools, including public, private, nursery and/or kindergarten, all subject to securing a Use Permit. (10/27/99)
- (5) Day care 2, subject to securing a Special Exception from the Board of Zoning Appeals. Unless it makes a factual determination that the proposed DC2 would be incompatible with the quiet enjoyment of surrounding properties, the Board shall issue the requested Special Exception. It may impose conditions governing factors related to the operation of said home, such as, but not limited to:
 - (a) hours of operation;
 - (b) location of play area and equipment;
 - (c) fencing of play area;
 - (d) limitations on signs;
 - (e) record-keeping requirements and inspection by authorized personnel.

If the Board denies an application for Special Exception, no further application for Special Exception pertaining to the same use on the same property will be accepted by the Board for one (1) year following the date of denial. (10/27/99)

- (6) Day care 3, subject to securing a Conditional Privilege. (10/27/99)
- (7) Parks or playgrounds or community centers, all subject to securing a Use Permit. (10/27/99)
- (8) Home occupations as defined in Section 2-34.
- (9) Deleted (5/26/04).
- (10) Transformer stations, "static": normal distribution and transmission lines, poles and towers, pumping stations, water towers, structures necessary for the operation of a public utility (excluding power plants and gas plants), or for the exercise of a government function, excluding all types of equipment storage, and penal or correctional institutions. Buildings to house public utility equipment, substations, water towers, and high voltage transmission lines shall be allowed by approval of the City Planning Commission pursuant to the provision of Section 15.2-2232 of the Code of Virginia, 1950, as amended. (9/9/98)
- (11) Tourist homes/bed & breakfasts, subject to securing a Conditional Privilege. (10/27/99)
- (12) Deleted
- (13) An accessory building or structure, or use, including a private pier, private garage, guest house, or servant quarters, provided no accessory building shall be constructed on a lot until the construction of the main building has been actually commenced, and no accessory building shall be used unless the main building is completed and in use.
- (14) An accessory building, structure, or use, to include a private stable for the keeping of, or the use of, horses, ponies, or similar animals customarily used for recreational purposes, provided:
 - (a) that such a stable or such use shall not be permitted on a lot containing less than one (1) acre; if two (2) or more such animals but not

exceeding eight (8) are to be kept, a minimum lot area of two (2) acres shall be required; if more than eight (8) such animals are to be kept, a minimum lot area of three (3) acres shall be required; and

- (b) that no structure used as a private stable, manure pit, or bin shall be located nearer than sixty (60) feet to any adjacent lot line, except where such lot line abuts a water course at least sixty (60) feet in width.

(15) Deleted.

(16) Temporary building and uses for construction purposes for a period not to exceed one (1) year.

(17) Deleted.

(18) Garage and yard sales, subject to securing a permit from the Zoning Administrator. Each permit secured will be accompanied by a non-refundable fee of five dollars (\$5.00) to cover processing and enforcement.

- (a) No more than three (3) garage or yard sales shall be permitted during a calendar year at any one location. If, however, the identities of all the residents at that location change during the calendar year, the new residents may have three (3) garage or yard sales during the remainder of the calendar year.

- (b) Such sale shall be limited to a period not to exceed three (3) consecutive days.

- (c) Such permit shall be conspicuously displayed upon the premises during the time of the sale.

(19) Deleted 10/25/95.

(20) Deleted 7/9/97.

(21) Skateboard ramps, subject to securing a Special Exception from the Board of Zoning Appeals. The Board of Zoning Appeals shall apply the following standards before granting a Special Exception:

- (a) Skateboard ramps shall only be permitted in rear yards;

- (b) Skateboard ramps shall not be located closer

than fifteen (15) feet to any rear or side property line;

- (c) Skateboard ramps located on corner lots shall comply with the side yard setbacks for accessory buildings on corner lots as specified in Section 18-18.(2).

The Board of Zoning Appeals may impose conditions concerning the operation of skateboard ramps such as:

- (a) hours of operation;
- (b) landscaping;
- (c) such other conditions regarding the location, character, and other features of the proposed structure as it may deem necessary in the public interest.

Special exception granted under this section shall not be transferable. The Board of Zoning Appeals has the right to revoke the Special Exception for failure to meet the conditions set forth in the Special Exception.

(22) Deleted 12/13/95.

(23) Deleted 10/27/99

(24) Commercial communication tower, subject to securing a Use Permit. (10/27/99)

(25) Noncommercial communication tower, up to seventy five (75) feet in height. Such tower height may be increased up to a total of one hundred twenty five (125) feet subject to securing a Use Permit. (10/27/99)

(26) Adult care residence 2, subject to securing a Use Permit. (10/27/99)

(27) Commercial Building Mounted Antenna; provided the following:

- (a) The building is not a single family dwelling;
- (b) The minimum height of the building shall be no less than thirty five (35) feet;

- (c) The height of the antenna (including support structures) shall not exceed twenty two feet above the highest point of the building;
 - (d) The antenna and support structures are painted so that they are compatible with the primary building structure, unless roof mounted; and (amended 7/9/97)
 - (e) Intermodulation testing is coordinated through the Hampton Police Division demonstrating that the proposed antenna operation is designed in a manner to eliminate interference with public safety communications. Such testing shall also be required from each subsequent operator prior to any building permits to add or modify antennae. Should any equipment associated with the antennae be found to interfere with public safety communications, the owner shall be responsible for the elimination of such interference. (Amended 1/23/02)
- (28) Juvenile residence 2, subject to securing a Use Permit. (10/27/99)
- (29) Shelter, subject to securing a Use Permit. (10/27/99)

Sec. 5-2. Height Regulations; R-13 District.

No building in an R-13 District shall exceed thirty five (35) feet in height; provided that the height limit for any building may be increased to not more than forty five (45) feet when side yards of not less than twenty five (25) each feet are provided.

Sec. 5-3. Lot Area; R-13 District.

No structure in an R-13 District shall be erected or placed on a lot or building site containing less than twelve thousand (12,000) square feet and such lot shall have a minimum frontage of eighty (80) feet. A structure may be erected or placed on a substandard lot only if it complies with the provisions set forth in Section 18-22 hereof.

Sec. 5-4. Dwelling Area; R-13 District.

No dwelling in an R-13 District shall be erected having less than two thousand (2,000) square feet of heated living area. If an attached fully enclosed garage or porch on either end has the same type construction and exterior appearance as the dwelling,

then two hundred (200) square feet of the floor area of either or both may be applied and considered a part of the two thousand (2,000) square feet, PROVIDED that screened-in porches shall not qualify for this credit. (8/9/95)

Sec. 5-5. Building Setback Regulations; R-13 District.

(1) Front Yard.

There shall be a front yard in an R-13 District having a depth of thirty (30) feet; however, lots of record prior to the adoption of this Ordinance shall have a front yard equal to the average front yard in the block, but in no case less than twenty (20) feet; however, no such front yard need be more than sixty (60) feet.

Colleges and public or private schools as may be permitted in this section shall be set back at least fifty (50) feet from the front property line and at least thirty (30) feet from all other boundary lines of the property.

Churches, as may be permitted in this section, shall be set back at least thirty (30) feet from the front property line; parking within this setback shall be prohibited.

(2) Side Yard.

There shall be a side yard in an R-13 District along each side of each building and the sum of the sides thereof shall be not less than twenty five percent (25%) of the lot's width measured at the building setback lines. The minimum width of any such side yard shall be ten percent (10%) of the lot's width, except that if the total required width of the two (2) side yards is twenty five (25) feet or more, one (1) need not be more than ten (10) feet in width. The side yard along the side street of a corner lot shall not be less than fifteen (15) feet.

Lots having a width of forty (40) feet or less and of record prior to January 27, 1960, which are developed in accordance with Section 18-22(1) shall have a side yard of not less than five (5) feet on each side.

Churches, as may be permitted in this section, shall provide side yards, the total of which shall be twenty five percent (25%) of the lot width, with a minimum individual side yard of thirty (30) feet.

Parking within ten (10) feet of the property line shall be prohibited.

(3) Rear Yard.

There shall be a rear yard in an R-13 District with a depth of not less than twenty (20) feet, provided if the depth of the lot is greater than seventy five (75) feet, the required depth of the rear yards shall be increased by an amount equal to one-third ($1/3$) of the excess depth over seventy five (75) feet; however, no such rear yard need be more than thirty five (35) feet; and every rear yard shall extend to and be measured from the rearmost portion of the main building.

Churches, as may be permitted in this section, shall provide a rear yard of thirty (30) feet; parking within ten (10) feet of the property line shall be prohibited.

Sec. 5-6. Accessory Structure; R-13 District.

In any R-13 District:

- (1) Accessory structures shall not cover more than twenty percent (20%) of the rear yard.
- (2) No accessory structure shall be located closer than five (5) feet to the rear property line.
- (3) No accessory structure shall be located closer than three (3) feet to the side property line.
(amended 7/9/97)

Sec. 5-7. Off-Street Parking; R-13 District.

Uses permitted in any R-13 District shall provide garage or vehicle parking space as required in Chapter 19 hereof.

Sec. 5-8. Fences; R-13 District.

Fences shall be permitted as provided in Chapter 18 hereof.
